

SITE AMENITIES

FROM KING LUMINAIRE

THE DURHAM BIKE RACK - KBR30

King Luminaire will accept no compromise regarding the quality of their products. The same dedication that has gone into manufacturing King's light fixtures and poles has been applied to their new line of site amenities.

Understanding the demanding requirements of site furnishings, King thoroughly engineered and designed all its products to meet the needs of their customers.

The KBR30 Durham Bike Rack offers a stylish yet tough design that works in any number of settings from streetscapes to sports arenas. Constructed from a durable aluminum frame, it can be customized with a number of different rings to fit any bike mounting requirement. From 3 bike mounting to 10, the KBR30 will fit your needs. It comes standard with base plate mounting but is also available in direct buried, both allow for easy and secure installation.

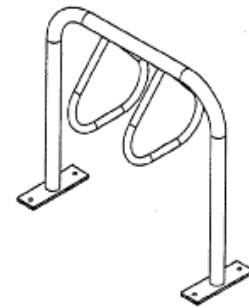

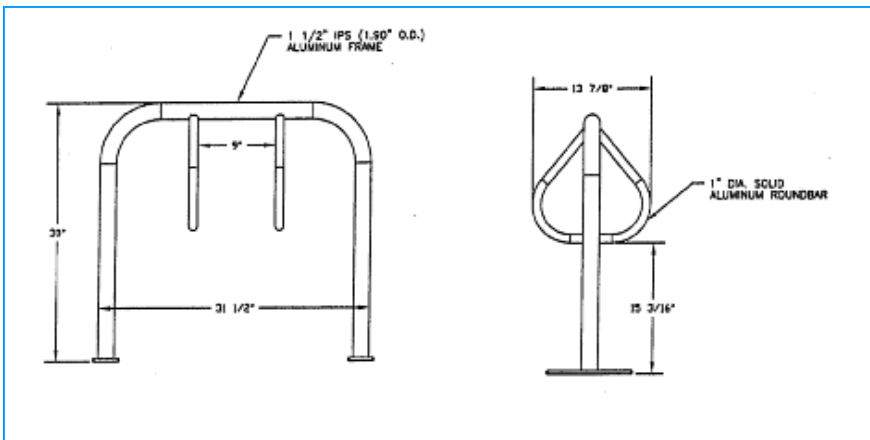

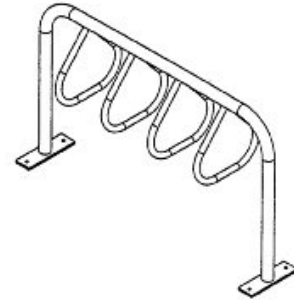

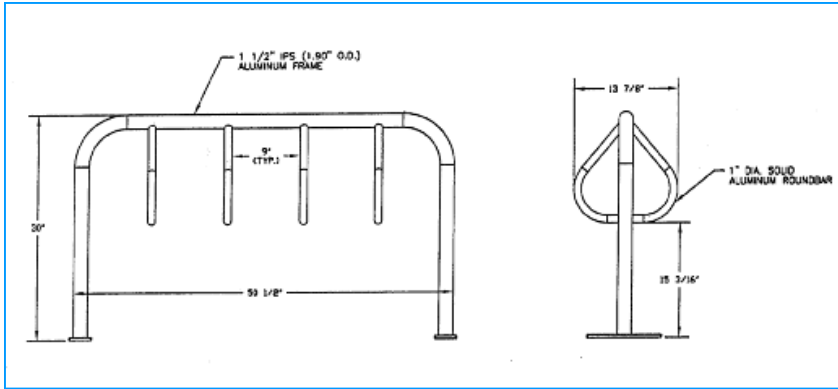

Left in its natural aluminum finish or customize it further with one of King's own "KingCoat" paint finishes, the KBR30 Durham bike rack will provide strength and security in any setting and makes a great addition to any project.

Standard, premium and custom paint colors available. Please contact us for details
